Q3 2026 Performance, Financial and Evidence Report

Stellar Ambassador Program

August to October 2026

Quarterly allocation: USD 30,000

Five in-person activations reached 285 participants, feeding an intensive two-week virtual Builder Challenge with 109 participants and 194 measured commits. Four October events including three large NovaSur activations with 510 projected attendees close the quarter.

Prepared September 22, 2026

August closed. September in progress. October scheduled.

1. Context

Argentina's program combines large-audience activations in Buenos Aires with regional presence in Salta and Corrientes, all feeding into a national virtual builder program.

Type	Name	Description
Place	CABA (Buenos Aires)	Capital of Argentina and the country's main tech and startup hub
Place	Salta	Provincial capital in the northwest, rarely reached by blockchain programs
Place	Corrientes	Provincial capital in the northeast, rarely reached by blockchain programs
Partner	Xplora UCEMA	Entrepreneurship hub of Universidad del CEMA, known for economics and business
Partner	NovaSur	Ecosystem organization behind the Foro de Innovacion y Negocios and three October activations
Partner	e4c	Education-focused organization for the October activation
